# Adaptive Soft Computing Techniques Laiq Khan

**chapter-3 soft computing techniques - shodhganga** - chapter-3 soft computing techniques soft computing is the fusion of methodologies that were designed to model and enable solutions to real world problems, which are not modeled or too difficult to model, mathematically. soft computing is a consortium of methodologies that works synergistically and provides, in one form or another, flexible information processing capability for handling real ... **soft computing techniques to estimate fir filter weights ...** - a brief description of the soft computing algorithms used to estimate the filter weights and steps for their implementation in adaptive channel equalizer is presented in this section. **modeling human behavior in user-adaptive systems: recent ...** - paper focuses on soft computing techniques to automate the acquisition and creation of user models in ah systems. the problem of um can be implemented using an automatic approach because a typical user exhibits patterns when accessing a hypermedia system and the set of interactions containing those patterns can be stored in a log database in the server. in this context, machine learning ... **journal of la soft computing techniques for video de ...** - soft computing techniques for video de-interlacing piedad brox, iluminada baturone and santiago s´anchez-solano abstract—this paper presents the application of soft computing techniques to video processing. specially, the research work has been focused on de-interlacing task. it is necessary whenever the transmission standard uses an interlaced format but the receiver requires a ... **use of soft computing techniques for transducer problems** - use of soft computing techniques for transducer problems a thesis submitted in partial fulfillment of the requirements for the degree of master of technology **speech signal filters based on soft computing techniques ...** - speech signal filters based on soft computing techniques: a comparison . sachin lakra . dept. of information technology . manav rachna college of engg **application of soft computing techniques to ... - ethesis** - the soft computing techniques used in this project work are adaptive filter algorithms and artificial neural networks. an adaptive filter is a filter that self-adjusts its transfer function according to an **adaptive communication using softcomputing techniques** - adaptive communication using softcomputing techniques 1 ... application of evolutionary and soft-computing algorithms for solution of complex problems in engineering is an emerging area of ... **modeling human behavior in user-adaptive systems: recent ...** - modeling human behavior in user-adaptive systems: recent advances using soft computing techniques e. frias-martinez, g. magoulas, s. chena,\*, r. macrediea **soft computing techniques in intelligent control: a review** - soft computing techniques in intelligent control: a review ayman ay\* abstract— the reason behind this interest of soft computing techniques for intelligent control from its advantages which are: it is suitable for linear and non-linear model, able to handle imprecise knowledge and ill-defined system, has the ability to convert the observations and the operator experience into mathematical ... **soft computing techniques for process control applications** - technological innovations in soft computing techniques have brought automation capabilities to new levels of applications. process control is an important application of any industry for controlling the complex **survey on image watermarking schemes using adaptive soft ...** - till now, a comprehensive comparative study on adaptive soft computing techniques utilized for the purpose of image watermarking is lacking. this brief survey presents an introductory approach in this direction and is limited to neural network based individual and hybrid strategies to carry out watermarking in grayscale host images. this survey focuses on the overall outcomes of these ... **talkmine: a soft computing approach to adaptive knowledge ...** - talkmine: a soft computing approach to adaptive knowledge recommendation luis mateus rocha los alamos national laboratory, ms b256 los alamos, nm 87545, usa **adaptive network based fuzzy inference system (anfis) as a ...** - various soft computing methodologies. in most of the conventional soft computing methods the system in most of the conventional soft computing methods the system modelling results are dependent on the number of training data used. **guest editorial: thematic issue on 'adaptive soft ...** - memetic comp. (2009) 1:239–240 doi 10.1007/s12293-009-0024-9 editorial guest editorial: thematic issue on 'adaptive soft computing techniques and applications'
